

INVESTMENT ANALYST

Location: Mumbai

Assignment: Full-time

PitchRight Ventures Overview

We are an early-stage venture fund with a focus on startups that are looking to build market-leading companies that disrupt traditional sectors with the use of cutting-edge technology.

We come in as the first institutional capital for startups. We are sector agnostic in our investment thesis with a focus on startups leveraging emerging technologies like AI, ML, IoT, AR, VR, Blockchain etc.

We invest up to INR 3.5 Cr (USD 500K) in a startup across multiple rounds of investment.

Role

- The ideal candidate should have a passion for the venture capital and startup ecosystem. He/She should be interested in building a career in the investments industry.
- He/She would be working with founders of early stage companies and providing support to help them grow.
- He/She will work closely with the Investment team across all areas of research, deal sourcing, deal selection, investing, post investment support and supporting partners in special projects.
- The learning curve will be steep as the potential responsibilities that would be handled are immense.

Key Responsibilities

- Researching & mapping emerging investments themes and evaluating investment ideas.
- Partner with the investment team to do deal sourcing through multiple sources including own network.
- Keeping track of market trends, opportunities, risks and new investment opportunities.
- Networking & developing relationships with peer funds and various other stakeholders in the startup ecosystem.
- Assisting with post investment support and portfolio management.
- Working on reports and other materials for brand building and investor relations.

Key Skills

- Top pedigree academics and experience (6 months to 3 years of prior experience in working with a Management Consulting Firm / Investment Bank / Consumer Technology start-up in Strategy or business roles with a strong academic background - B.Tech/B.E/CA/CFA)
- Strong analytical capability
- Strong research capability
- Excellent networking ability with good inter-personal skills
- Team player with ability to work effectively in small groups
